

# HEROS: HUD ENVIRONMENTAL REVIEW ONLINE SYSTEM

RECON Environmental assists agencies with the Housing and Urban Development (HUD) Environmental Review Online System (HEROS) to create National Environmental Policy Act (NEPA) Environmental Review Records (ERR) for grant-funded projects. RECON serves as a Partner to Responsible Entities to ensure that their HUD projects fully comply with NEPA requirements in the HEROS system. You can rely on our trained HEROS specialists to skillfully navigate the environmental review process for your HUD assisted projects.

## HEROS Eligible Programs

- Community Planning and Development Programs
  - Veterans Housing Rehabilitation and Modification Pilot (VHRMP)
  - Community Development Block Grant (CDBG)
  - HOME Investment Partnerships Program (HOME)
- Multi-family Federal Housing Administration Programs
- Office of Native American Programs
- Rental Assistance Demonstration
- 202/811 Program

## HEROS Benefits

- Increases transparency
- Integrates guidance formats
- Facilitates communications with partners
- Helps manage the Environmental Review process
- Generates electronic Environmental Review Records, eliminating the need for paper filing
